

COURSE SELECTION

7th Grade

As an IB World School, Murchison is committed to providing all students with a rigorous and balanced curriculum. Therefore, our students are required to take one course from all eight subject areas every year during their enrollment in the IB Middle Years Program. Choices are subject to availability.

Select a course from all 8 subject areas. 

IB LANGUAGE & LITERATURE

This course is taught at the highest level in heterogeneous classes and differentiated for individual learners.

To help us create balanced classes, please check
